

EARLY AND EXTENDED CARE:

EXTENDED CARE 12 noon - 3 pm Cost for Fall 2025 will be **\$30** for the 3 hours.

Our extended care program is one that is designed to be varied and fun for the children, while meeting parents' needs for childcare that is both reliable and flexible for you. The afternoon will begin at noon with a story, followed by lunch. **Please do not send any food that has nuts of any kind in it.** After lunch, the children will go to the playground and then will have time to play in the classroom, go to the gym or do a craft. Extended day ends at 3 pm.

Initially, families will sign up for the semester (Sept. - Dec./ Jan. & Feb/March - May). To sign up for early or extended care complete the Early and Extended Day Form. Please send payment in ahead of time. You are not registered until payment is received (Checks preferred, but cash is also accepted). Not until enough children are registered for a particular day, can we open up registration for single days. Please ask Lisa Sybrandt if you are interested & to make your reservations.
