STEP 2: REVIEW REGISTRATION FEE AND TUITION PAYMENT TERMS

We hereby accept the placement at Preschool in the Valley reserved for the 2024/2025 school year. In consideration of acceptance of this reservation by Preschool in the Valley, the undersigned agrees to pay the required fees. These fees include a \$75 registration fee in addition to the monthly and yearly amount listed above next to the selected program.

Once the signed registration & enrollment agreement are received by Preschool in the Valley, we agree to pay the \$75 registration fee plus the Sept 1st tuition (make check payable to Preschool in the Valley) & complete the ACH payment form.

We understand a space is not reserved until this payment is made and this initial payment is non-refundable.

The expenses of the school do not diminish with the departure of a student during the course of the year. Therefore, we understand our obligation to pay the fees for the full academic year. We further understand that no portion of such fees paid or outstanding will be refunded or cancelled regardless of the absence or withdrawal of the above-named student. (Exceptions for special circumstances will be made at the discretion of the Preschool Committee- i.e., permanent move out of the area)

We understand that teacher and classroom location assignments are subject to change at the Director's discretion. If the required minimum enrollment for a class is not met, the class could be subject to cancellation. Every effort will be made to accommodate our child in another class.
