

Animals of the Night & The Night Sky

Two weeks of fun!
Tuesday, May 26 - Friday, May 29, 2026
And
Monday, June 1 - Friday, June 5, 2026
9 am - noon (no early or extended care)

Step into a world that only awakens when the sun goes down for a 2-week journey into the mysteries of the night. Even though our nature camp meets in the morning, we will find out what happens after the sun goes down. We are going to explore and discover some nocturnal animals that live near us and around the world. We will also put our gaze up into the night sky to learn about planets and constellations. While we are learning about nocturnal animals & what we see in the night sky, we will spend time outside enjoying the playground, taking walks and having fun with our preschool friends. We will also have Dawn White from Indian Run Environmental Education Center come with a few of her nocturnal animals one day during camp.

Registration & Tuition for Camp: select which weeks you will attend

Week #1 – Tuesday, May 26th – Friday, May 29th (4 days) \$125

Week #2 – Monday, June 1st – Friday, June 5th (5 days) \$155

Both Weeks – Full Experience (all 9 days) \$280

You have the option to register for both weeks or just one. **Due back no later than Friday, March 27, 2026**

Please sign up below: Make checks out to Preschool in the Valley
