

Preschool in the Valley

Drop-off and Pick-up Procedures:

We offer drop off and pick up service each day in the back parking lot. A teacher will greet you and escort your child into the building. The same will happen at dismissal time.

Morning Drop-off:

By Car:

- Pull your car up parallel to the playground fence and as far down as possible to allow space for cars pulling up behind you.
- Stay in your car
- Have your child sitting on the passenger side of the car for the safety of the teacher and your child (teachers cannot walk around cars to get children)

Walk-in:

- Park away from the carline
- Walk along the playground fence & pick up at the green double doors
- Hold your child's hand all the way until they are in the building

Noon Pick-up:

By Car:

- Post an 8 1/2" x 11" sign with your child's name printed on it (parents will receive a car sign at visitation that will be color coded for their class)
- Post your sign in the passenger window so teachers can see your sign when you pull around
- Stay in your car
- Teachers will not buckle your child so pull away from the car line park in a parking spot and buckle your child

Walk-in:

- Wait outside for your child to be dismissed to you
- Follow instructions from the morning
