Playground: Coats, mittens & hats help us to stay comfortable and enjoy playing outside. Keep in mind that we go out to the playground for 40 minutes each day and the 3s classes are out at arrival when it hasn't warmed up yet.

Picture Day: Emails from Picklepuss Photography should be coming soon. Keep an eye out for your picture access code from Picklepuss Photography.

Book Blast: We had an incredible Book Blast! The books will arrive most likely before Thanksgiving. Every child in our school will receive at least 5 books and some children earned all 10 books. In addition to this the school received a shopping spree to add books to our school library. Thank you so much for your participation!

Extra Halloween Candy: If you would like to get extra Halloween candy out of your house, we collect candy for the Philadelphia Homeless Run. There is a basket in the hallway where you can put your extra candy. The candy will go in bag lunches that are given out to homeless individuals in Philadelphia.

Thanksgiving Feasts: Your teacher and the homeroom moms will be contacting you to let you know what they need for the Thanksgiving Feasts.

Christmas Concert: Our concert is on Wednesday, Dec. 16th @ 10 am. Following the concert, we will have a reception hosted by the homeroom parents in the 4s classes. They will be reaching out to all the classes to collect cookies for the reception. If Wednesday is not your typical day to attend class your student should arrive at 9:45 am and meet their teachers in the hallway upstairs outside the gym. All the children who attend on Wednesdays can come to school at the normal 9 am drop off. The students in T. Lynn & T. Emily's classes will be wearing angel costumes that will be sent home the week before the concert.

Extended day: We just had the registration for November & December. We have room for drop ins any day of the week. If you are interested in signing up for extended day, call or email ahead of time. The cost for extended day is $30 per afternoon. The children may bring anything they like to eat for lunch except nuts. Pick up for extended day is at the front of the building promptly at 3 pm.

Wood Jefferson is the child we sponsor in Haiti. Thank you for sending in coins and please keep them coming for Wood. We had a big donation of coins this month $98!! Thank you so much. Wood is 10 years old and in 6th grade. There is a picture of Wood in each of the classrooms. Our goal is to collect $260 in coins by the end of the school year.
